

RESOLUTION NO. 2014- 8

A RESOLUTION AUTHORIZING MODIFICATION
OF CONTRACT WITH UTILITY SERVICE GROUP TO
INCLUDE FOUNDATION REPAIR WORK AND MAINTENANCE
ON BURLINGTON TANK WATER TOWER

WHEREAS, the City of Monticello has here before entered into a contract with Utility Service Group for certain repair and maintenance on the Burlington Tank Water Tower;

WHEREAS, a subsequent inspection by the Arkansas Department of Health is requiring remediation work to be done to the foundation of the Burlington Water Tank;

WHEREAS, in order to perform the work required by the Arkansas Department of Health the contract with Utility Service Group would need to be extended both as to scope and as to cost.

NOW, THEREFORE BE IT RESOLVED by the City Council of Monticello, Arkansas as follows:

1. That due to the existence of a preceding contract and the unique services performed by Utility Service Group, the counsel makes a specific finding that waiving the bid requirements for this contract is necessary and is in the best interest of the City of Monticello.

2. That an extension of the contract with Utility Service Group to provide for excavation and encasement of the foundation of the Burlington Tank Water Tower for the following scope of work is approved. Said scope of work to be:

- Excavation necessary to make repairs.
- Drill dowels and epoxy into existing piers.
- Set forms if needed.
- Install water stop.
- Place and tie reinforcement.
- Place and finish concrete.
- Back fill.

3. That the City of Monticello will receive a 1 year construction warranty, in addition, the warranty of the work of Utility Service Group and subcontractors will continue in full force and effect thereafter so long as the City of Monticello maintains a service contract with Utility Service Group.

(END OF RESOLUTION)

ADOPTED on this 22 day of April, 2014.
