

RESOLUTION NO. 24-64

A RESOLUTION AUTHORIZING REJECTION OF BIDS.

Whereas, the City of Monticello received the following bids in regard to the proposed Main Street Water and Sewer Line Relocation Project, to wit:

Reece Construction Co., Inc.; and

White River Construction, Inc.,

pursuant to the bid sheets attached as Exhibit 1.

Whereas, the Mayor has recommended to the City Council that all bids be rejected.

Whereas, the City Council agrees that the rejection of all bids is in the best interest of Monticello.

It is therefore, by the Monticello City Council, resolved as follows:

1. That the Mayor is authorized to reject all bids in regards to the Main Street Water and Sewer Line Relocation Project.

Rendered, and ordered to be recorded this 29th day of October, 2024.

Mayor

October 24, 2024

The Honorable Jason Akers
City of Monticello
203 West Gaines Street
Monticello, Arkansas

Re: Recommendation to Accept the Lowest Bid
Roofing System Replacement
Historic Monticello Post Office
211 West Gaines Street

Greetings Mayor Akers,

We had a successful bid opening yesterday afternoon, having received eight qualified bids for consideration. The Bid Tabulation Sheet is attached for your use and record.

The lowest bid was provided by Arkansas Roofing and Construction of Conway in the amount of \$67,424.00, which was less than the originally estimated construction cost. We have discussed the bid with the company and were informed that the roofing products proposed with their bids are compliant with the project specifications, as well as their having included all of the required scope of work. We have also verified that the company's contractor license is valid and current.

Our company has not had the opportunity to work with Arkansas Roofing and Construction yet but following our limited investigation; we do recommend that the City of Monticello enter into an agreement for the construction as designed and public bid.

If there are any questions or comments, please contact me.

Respectfully,

CLEMENTS & ASSOCIATES/ARCHITECTURE, INC.

Gary Clements, AIA
