BE IT ORDAINED, by the City Council of Monticello, Arkansas, as follows:

Section 1. Amendment of Ordinance No. 522. That Section 1 of Ordinance No. 522 of the City of Monticello adopted December 5, 1974, as previously amended, is hereby amended to read as follows:

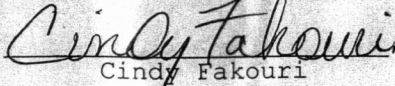

"Section 1. That the following monthly rates shall be fixed to be charged for services to be furnished by the solid waste management system of the City of Monticello, which the council finds a reasonable and necessary rate to be charged:

"\$11.00 for two (2) pickups per week from each residence, each unit of a duplex, each unit of an apartment house or complex (unless said apartment or house or complex has only one water meter), and each other residential unit (unless the same is in a mobile home park having only one water meter).

"\$35.00 per container for two (2) pickups per week from each commercial establishment, each industrial establishment, each apartment house or complex having only one water meter, and each mobile home park having only one water meter; provided that if the consumer requires more than two pickups per week and/or where the weekly volume of solid waste of a unit is high enough to justify such action, the monthly rate will be adjusted upward to an amount which is fair, reasonable and equitable under the circumstances."
