

ORDINANCE NO. 703

AN ORDINANCE ESTABLISHING MAXIMUM
HEIGHT RESTRICTIONS NEAR THE MONTICELLO
MUNICIPAL AIRPORT; AND FOR OTHER PURPOSES

WHEREAS, Act 1278 of 1999 established a maximum height requirement concerning structures near airport runways; and

WHEREAS, the establishment of such maximum height restrictions are necessary and appropriate for the safety of pilots, passengers and property;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF MONTICELLO, ARKANSAS:

Section 1. "Aeronautical facility" is defined as any public airport or military airport which has a hard surface runway.

Section 2. No structure in excess of one hundred (100) feet in height may be constructed within twenty-five hundred (2,500) feet from either side of a runway centerline running the full length of that runway, including the runway protection zone and runway safety area, extending outward from the approach end of any runway for seven nautical miles, and rising upward from that runway end surface at a slope of sixty-five feet horizontally to one foot vertically for the seven nautical miles of any aeronautical facility used by the public unless a permit for such construction

has been issued by the governing body responsible for operations of the aeronautical facility.

Section 3. Violation of this ordinance may be punished pursuant to state law by levy of a fine not to exceed \$1,000.00 per day against the owner of any structure constructed in violation of this act. The fine may be levied for each day until the structure is removed.

Section 4. This ordinance does not apply to any structure existing as of March 26, 1999, nor to any structure which had construction in progress on March 26, 1999.

PASSED THIS 18 day of May, 2000.
