Dear Mayor Rogers:

Reference is made to the one-way streets known as McCloy Avenue and North Hyatt Street, in the City of Monticello. These portions of roadway are currently signed as Highway 278. Our records indicate that only the portion of West McCloy Avenue beginning at the junction with Highway 83 and continuing one block west to North Church Street is part of the State Highway System. Upon passage of a State Highway Commission Minute Order, East McCloy Avenue and the portion of roadway beginning at the junction with North Church Street and continuing west to the junction with North Hyatt Street and then south one block along North Hyatt Street to the junction with Highway 278, will be added to the State Highway System as part of Highway 278.

Please find the enclosed sample ordinance and sketch that can be used by the City of Monticello to release the portions of McCloy Avenue and North Hyatt Street from the City Street System.

If additional information is needed, please advise.

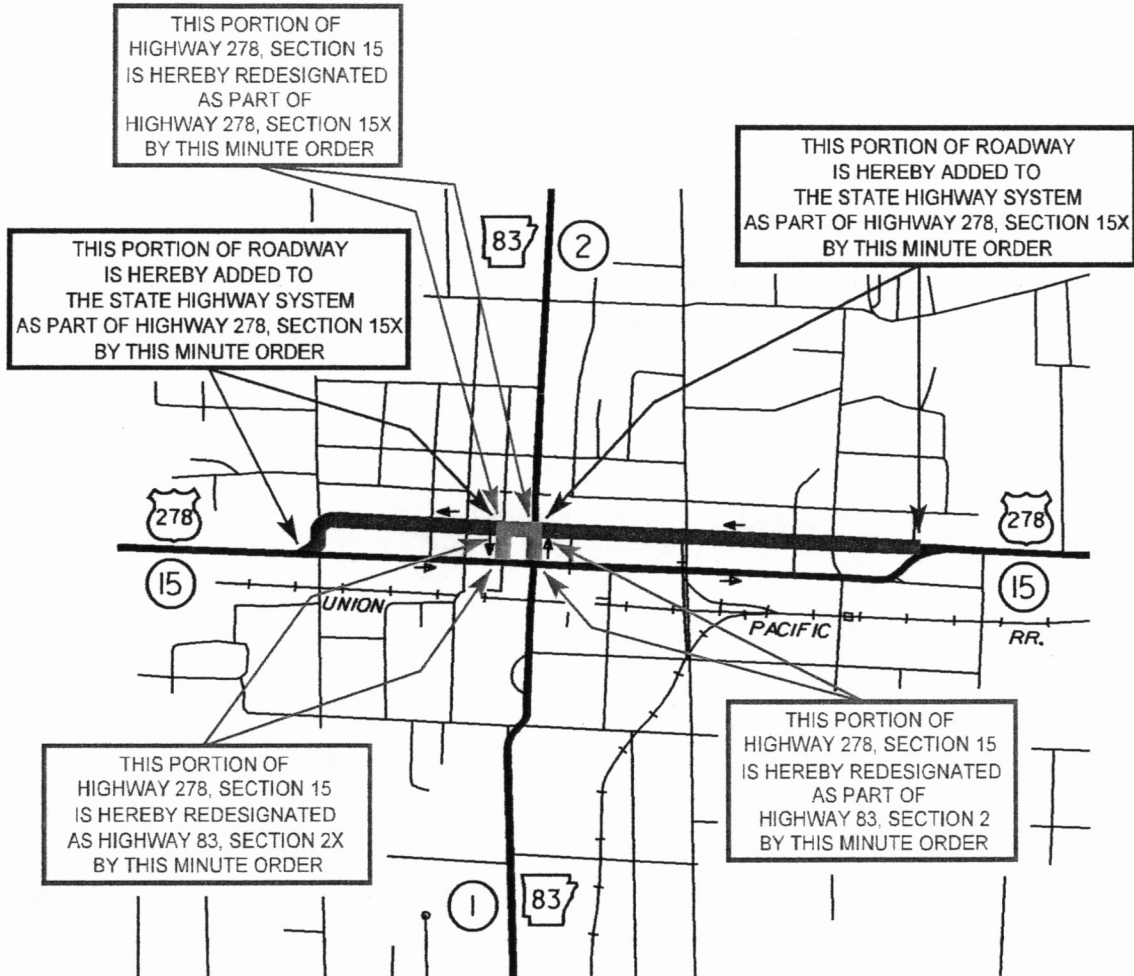

Sincerely,
