

ORDINANCE NO. 822

AN ORDINANCE ADOPTING THE ARKANSAS MECHANICAL CODE

Section 1. ADOPTION OF THE ARKANSAS MECHANICAL CODE.

The Arkansas State Mechanical Code (2010 Edition) with all appendices as the same may be modified or amended from time to time hereafter is adopted for the purpose of establishing rules and regulations for the installation, alterations, removal, equipping, use, location and maintenance of mechanical equipment and devices, including permits and penalties. The Arkansas State Mechanical Code (2010 Edition) with all appendices together with all subsequent modifications or amendments, is incorporated by reference as if set forth word for word herein, and the provisions thereof shall be controlling in the installation, maintenance, equipping, and operation of mechanical devices and equipment within the corporate limits of the city. All mechanical (HVAC) contractors working within The Planning jurisdictions of Monticello must meet current state requirements.

Section 2. APPLICATION.

From the date on which this ordinance shall take effect, the provisions thereof shall be controlling within the planning limits of the City of Monticello, Arkansas.

Section 3. MAINTENANCE OF COPIES FOR PUBLIC VIEW AND INSPECTION.

The code shall be available for public viewing by being posted through the City of Monticello website.

Section 4. SEVERABILITY.

If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or unlawful, such decision shall not affect the validity of the remaining portions of this ordinance

Section 5. EMERGENCY CLAUSE.

Whereas it is urgent that the City of Monticello, Arkansas, have an up-to-date mechanical code to protect the property and lives of the citizens of our city; therefore an Emergency is hereby declared to exist and this ordinance being necessary for the immediate protection of the public peace, health and safety shall take effect immediately on its passage and approval.
