

RESOLUTION NO. RS-2015-24

A RESOLUTION AMENDING RESOLUTION 92-11, PRESCRIBING ANCILLARY FEES AND CHARGES TO BE MADE BY THE CITY OF MONTICELLO'S WATER SYSTEM.

WHEREAS, Municipal Code, § 25-39, adopted as Ordinance 493, authorized the city to set fees and charges installation, disconnection, street cuts, and other service charges associated with city's water system with approval from the city council by resolution; and

WHEREAS, the last approval of increasing of the schedule of fees and charges associated with city's water system was in 1992 by adopting Resolution 19-11; and

WHEREAS, the city's water department has increased ancillary fees and charges associated with operating the city's water system over the years to match an increase in cost for supplies and labor since 1992; and

WHEREAS, City Council has found it important to approve the updated water system fees and charges to meet current expenses for supplies and labor.

NOW, THEREFORE BE IT RESOLVED, by the City Council of Monticello, Arkansas, that Resolution 92-11, a Resolution Prescribing Ancillary Fees and Charges to Be Made by the City of Monticello's Water System, is hereby repealed and the following adopted to be effective immediately:

1. The follow fees ("tap fees"), due and payable in advance, shall be charges by the city for connection on the city's water system:

| <u>Meter Size</u> | <u>Inside City</u> | <u>Outside City</u> |
|-------------------|----------------------|---------------------|
| 5/8" | \$400.00 | \$420.00 |
| 1" | \$500.00 | \$520.00 |
| 2" | \$1,095.00 | \$1,095.00 |
| Over 2" | To be fixed by mayor | |

2. The charge for making a bore to install a water line beneath any street maintained by the city shall be not less than \$350.00 and shall be fixed by the mayor, and beneath any other streets or highway shall be fixed by the mayor.

3. The charge for each water system service call or special service ("service charges") for special readings for meters, disconnects and re-connects, setting up certain water accounts, etc., shall be \$10.00 per visit for inside the city, \$15.00 per visit for outside the city, and \$25.00 per visit for outside regular published business hours.

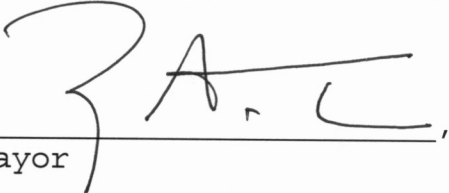

4. In any case where the city disconnects a water service line because of non-payment of water service charges, a service charge of \$25.00 will be made for re-connection said line.

5. In the event a water service charge is attempted to be paid with a worthless, or "hot," check (i.e., a check for the payment of money upon a bank where the maker of such check has not sufficient fund on deposit with such bank for the payment of the check), a charge of \$25.00 will be made by the city on account of the such attempted payment; and if such \$25.00 charge is not paid within seven (7) days (Saturdays, Sundays and holidays excluded) after notice of the worthless check is given by the city to the customer, water service to the subject location will be discontinued.

(END OF RESOLUTION)

ADOPTED on this 30 day of June, 2015.
